THE LEADERS IN AGED CARE LEGAL SERVICES

Larry Bell

Through personal experience with friends and family members, I realised many years ago there was a genuine need for a legal service tailored specifically for Seniors.

For more than a decade now I've been providing those services to the Seniors of Hervey Bay ... a service based on personal attention, integrity and trust. It's a responsibility I do not take lightly, and a role that gives me great pleasure due to the many wonderful people I have the chance to assist.
